STANFORD, KY., FRIDAY, FEBRUARY 15, 1901. 9 A. M.

NO. 99

CRAB ORCHARD.

The little sons of James Anderson have measles and Mr. Duke's infant has whooping cough. All are doing well.

There is enough lumber, apparently, at the lumber yard to build a little city. It, with a great many fine locust posts, awaits shipment.

Eld. Shepherd will likely accept the call to the pastorate of the Baptist church here and should he do so, he will move his family here, which will be a pleasant addition to Crab Orchard.

Those who have ten houses ready for ice, have despaired of getting them filled, but Mr. Wm. Stewart says he has put up ice as late as the middle of March. Our winter has certainly been remarkable so far.

Dr. Doores has felt the band of affliction upon him. His brother and sister of Lancaster, have both been very ill, his wife seriously sick and his little grandson, of Rowland, very low with scarlet fever. He made a brief visit to his brother and sister last week.

Eld. C. A. Moore, of Lancaster, accompanied Mr. A. H. Huston and family as they bore the remains of little Margaret to this place for burial. Bro. Moore made a few remarks, closing with a touching benediction at the grave of the sweet little one. Miss Lucile McClure returned home with Mrs. Bastin.

Mrs. Dr. Doores has been ill for some time with pneumonia and grip. Dr. Bailey, of Stanford, was called to see her. She is reported better at this writing. J. C. Rineheart, of Livingston, visited friends here the past week. Mr. James Holman and wife, of Stanford, spent a few days with the groom and bride, Mr. David Holman and wife.

Mr. and Mrs. Smith, new Miss Locke Dillion, of Livingston, visited Mrs. Dillion Saturday. Messrs. Joe and Will Brooks were in town this week. They seem quite lonely without their mother and sister, who are spending the winter in Atlanta. Mrs. Mary Morgan and children, of McKinney, are spending a few days with Mrs. Margaret Gormley. Mrs. J. B. Willis, of C. O. Springs Hotel, went to Richmond Saturday for a brief visit to her mother, Mrs. DeJarnett. W. A. Heazley and family went to Lancaster to be present at the burial of little Eugene, son of Dr. and Mrs. Walter Heazley. Eld. Shepherd, of Paint Lick, preached two excellent sermons at the Baptist church Sunday morning and night.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employee of Bartlett & Dennis Co., Gardner, Mo. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlahan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by Craig & Hocker, Druggists.

David Nation, husband of the rapid-fire saloon smasher, when he heard that legal assistants had been appointed to close saloons in Kansas said: "This is just as I said last night. If my wife had remained at home instead of going East on a lecture tour, she would now be right in it. This is the time for her to strike, and instead of shooting off her mouth to people who only laugh at her, she could be right here doing good. I think my wife has plainly shown she is losing her head over the notoriety of the thing. If she does not return and smash saloons while the iron is hot and the officers have agreed to help her, then she is a bigger fool than I take her for."

Jacob Price has a meal shovel that is over 300 years old. It is of some kind of wood which grew in Germany, where it was made, and brought here by his great-grand-parents, and has been kept in the family as a relic. It is in a fine state of preservation, not a crack or flaw about it. He also has a large bottle given him by his father, which is 119 years old, and warranted to hold one gallon and a quart.—Georgetown Times.

An exchange tells us of a lady who had a boarder and every time he would come to the table he would say, "Hebrews 13:8." Finally, the lady's curiosity became aroused and she got her Bible and investigated. She was very much shocked, and may be you would be, too, when you find out what she read.

At a meeting of the Republicans of Martin county to draft rules governing their primary which will be held Feb. 15, they adopted a rule to force Democrats desiring to vote to swear they voted for McKinley at the late election.

MONTICELLO.

Monticello has a new library containing 30 volumes and a number of new subscribers.

Elder Allen Hallou delivered discourses Sunday morning and evening at the Union church.

Rev. U. G. Foote, of Chestnut St. church, Louisville, will commence a series of meetings here Sunday night.

John Oatts, Sr., has been a sufferer from tonsillitis for several days. Wm. Tuttle and wife entertained the Carom Club Wednesday evening.

The long talked of bank will soon be a reality, as the contract has been closed and the building will be erected as soon as practicable. J. R. Oatts, Sr., and brother, of Augusta, are leaders of the enterprise and will rush the work along.

The W. C. T. U. will entertain Saturday by music and addresses for 30 minutes and then the L. T. L. will have charge, giving the audience songs, recitations and drills. Mrs. Ethel Wilhite has trained the little ones and from 12 at the first meeting, she now has 75 members in the band.

Mrs. Juan Hall is some better. Her little Shearer is attending college in Nashville. Dr. Switzer, of Hronston, has located here and moved his family to the residence of Mrs. Juan Hall. Mrs. Ada E. Phillips is suffering from grip. Mr. and Mrs. P. M. Berwald have gone to Bradford, Penn., to live. Walter N. Filippin has returned from Arkansas. Prof. Hagau will give an elocutionary contest Feb. 22 at the court house. Misses Lelia and Evelyn Kendrick, Emma Ramsey, Willie Francis, Litha Shearer, Berta Stone and Kittle Kendrick are the contestants. Miss Eva Jones has trained the young ladies and this is all that is necessary to say that it will be a success so far as her skill is concerned. A gold medal will be presented to the fortunate one and Misses Susie and Hattie Lanier and Joe Morrow are judges of the occasion.

Blessings as well as troubles never come singly, so our little city will soon be bustling with enterprise. J. P. Royce and L. W. Lockridge of Aurora, Ind., came here a few days ago to contract for white oak timber and a site to erect a stove manufactory. Everything proving favorable, the foreman, Mr. Wyman, came on and closed the necessary arrangements. The building will be erected on the vacant lot of Capt. J. Stephenson on Michigan Ave. The timber of Frank and Lewis Coffey and H. L. Phillips at 75 cents per tree has been secured.

Mrs. Harriette Leonard, wife of Wm. Leonard, died at Yosemite Thursday with pneumonia. She was a daughter of Benjamin Tinsley and was perhaps the tallest woman in the county. Her measure when brought here for a coffin was found to be 6 feet 7½ inches in length.

A young man by the name of Wilson, of the Doe Creek section, was showing a friend how his (Wilson's) cousin was accidentally shot when the gun with which he was demonstrating was discharged, the ball taking effect in his shoulder near where he said his cousin was shot. The wound is a painful one, though not dangerous.

W. C. Russell and his two sons, Mack and Luther, are confined to their beds with grip. Miss Kate McIntosh is able to sit up most of the time after being in bed nearly five months with fever. Miss Kate was at J. C. Coulter's when his house burned, and was carried down a long flight of stairs by Maria Willis, her colored nurse.

Editor Knott, of the Louisville Post, is having trouble with new found friends. He left the democratic party or rather was kicked out of it for his cussedness, and now the republicans in Louisville have turned their backs on him, and he hasn't time to scratch between kicks. It seems that Knott was never intended for anything but a foot ball.

IN NEIGHBORING COUNTIES.

Magistrate C. C. Hurton, aged 71, is dead in Jessamine.

Thomas Cotton, a prominent stock trader of Spencer county, committed suicide at Lawrenceburg.

James M. Moberly was finally acquitted by the jury, which was hung up at Harrodsburg from Friday till Monday.

Mrs. M. P. Tunis died at her residence in Danville Tuesday of pneumonia, in the 73d year of her age. She leaves two sons, Mr. N. K. Tunis, of Danville, and Mr. J. Theodore Tunis, of Lexington, and three daughters, Mrs. W. W. Dickerson, of Williams-town, and Misses Kate and Lou Tunis, of Danville.

REMARKABLE WEATHER.—The record breaking mildness of the present winter puts the old inhabitants up a tree without frost-biting him. Every month of the 12 just past has been marked by thunderstorms, or more or less brilliant electrical displays in the heavens. This was noticeably the case in December and January. Grass-boppers and lightning-bugs were seen in the meadows the last of December. No ice has been gathered, nor skating done. Days in January were as balmy as April, and the general temperature of midwinter was but little severer than that of early spring. Snow has not lain on the ground so long as 12 hours at any time during the winter. With an early and open spring, a most remarkable cycle of seasons will close, and Hicks will be demonstrated to be the biggest liar that ever talked about the weather.—Glasgow Times.

Mrs. Nancy A. Mitchell, of Lyon county, is believed to have the largest number of living descendants of any woman in Kentucky, if not in the United States. She has 237 living descendants, including 10 children, 103 grandchildren, 120 great-grandchildren and seven great-great-grandchildren. Mrs. Mitchell has been married 70 years. Only one of her children died.

Craig & Hocker, guarantee every bottle of Chamberlain's Cough Remedy and will refund the money to any one who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for lagrippe, coughs, colds, croup and whooping cough and is pleasant and safe to take. It prevents any tendency of cold to result in pneumonia.

In the churchyard of Leigh, near Bolton, will be found a tombstone bearing the following amazing sentence: "A virtuous woman is 5s. to her husband." The explanation seems to be that apocryphal "a crown" being cut in full, and the stonemason argued that a crown equals five shillings.

While a mob was besieging the jail at Crested Butte, Col., and threatening to lynch George Burle, he committed suicide by hanging himself to a window bar in his cell with an electric light wire. Burle was arrested on a charge of having criminally assaulted Kate Muehle, 12 years of age.

The Yaqua Indians are again on the warpath. They killed several ranchmen in Mexico.

Mr. Spalnbower, an aged farmer of the Point Leavell locality, died of a general decline Tuesday and the interment took place at Paint Lick Wednesday.

Porter J. White, now reputed to be the latest impersonator extant of "Mephisto," will appear here at the opera house in "Faust" on Saturday night Feb. 16.

Will Adams and Taylor Gibbs, two Negro lads, were tried for stealing \$20 from a white boy named Kaiser. Adams was released on the promise of a severe flogging from his mother, and Taylor was returned to confinement.

J. E. Stormes was so unfortunate as to run a rusty nail into his foot a few days since. He and his friends have been somewhat apprehensive, as there have been several cases of blood-poisoning and tetanus resulting from similar wounds.

Announcement cards were received here Thursday of the marriage on the 12th of Miss Mary Robertson, of Elizabethtown, and Theodore W. Intersmith, of Louisville. Miss Robertson has been a frequent visitor to this city, being related to Mrs. E. L. Poor and family.

Henry Arnold, son of H. C. Arnold, of this vicinity, is quite ill and had a severe hemorrhage of the lungs. His sickness is unusually sad as several members of the family have fallen victims to that fatal disease, consumption, and there have been five deaths in the household within about four years.

Mr. Milton Ward, of Jonesville, Va., is the guest of his son, O. H. Ward. Mrs. George D. Lusk left for Louisville Tuesday to join her invalid husband, who is under the treatment of a specialist. With a sermon last Sunday morning at the Christian church by Elder A. K. Moore entitled, "Satan's Throne," and a thrilling impersonation of Mephistophiles at the opera house Saturday night, it is very likely the Lancaster people will be deeply impressed by this double warning of shunning that downward course that leads to an everlasting association with his "Satanic Majesty." Pictorial representations of Dante's Inferno have taught invaluable lessons.

What most people want is something mild and gentle, when in need of a physic. Chamberlain's Stomach and Liver Tablets fill the bill to a dot. They are easy to take and pleasant in effect. For sale by Craig & Hocker, Druggists.

REPUBLICAN candidates in Rockcastle are about as thick as the democratic candidates are in Lincoln. There are a half dozen or more radicals who would like to be judge, while the woods are full of candidates for sheriff and jailer.

KNOWING ones say Hon. Ben B. King, of Moreland, will be the republican nominee for sheriff, but we have faith in Mr. King's judgment and don't believe a word of it. He knows as well as we do that this is democratic year and that he wouldn't have a ghost of a show.

VERY little talk is being indulged in concerning the graded school election to be held March 26. If you think it will benefit Stanford to the extent of the tax to be levied, vote for it; if not, vote against it. The question is of some importance and should be thoroughly considered.

THERE is one less candidate for jailer today. James T. Jones and Dink Farmer agreed to let 11 men in the Turnersville section decide their destinies and Mr. Farmer got the majority of them, and Mr. Jones has withdrawn from the race for jailer. This is one way, and may be a good way, of decreasing the large number of candidates in Lincoln county has.

STUD FOR \$1,000.—Jane Jeffries, colored, has, through her attorney, W. E. Varnon, sued Thomas C. Ball for \$1,000 damages for removing a door and the windows from the house she rented from him and lived in. Mr. Ball's contracts stipulate that unless rent is paid promptly he has the right to do as he did in this case. He has secured the best legal talent in town and will fight the case for all it is worth.

SICKEN.—James H. Pugh, of Pittsburgh, who married Miss Lottie Dillon, of Crab Orchard, committed suicide at the Emory Hotel, Cincinnati, by taking laudanum. He left an affectionate letter to his wife. On another slip of paper was written the following: "Young boys, beware of the first drink." A pathetic feature of the suicide was the finding of three small gold lockets and chains, a pair of baby shoes and a pair of baby's white gloves, which articles he had evidently purchased for his loved ones. He was a past chancellor, Knights of Pythias, and a member of the Order of Red Men. His father, W. A. Pugh, is manager of a large coal company at Pittsburg, and is in line shape financially. The deceased was about 30 years of age. The remains were brought to London yesterday morning and interred in the cemetery there at 10 o'clock. Mr. Pugh was the cleverest kind of a young man and had legions of friends who regret his rash act. Much sympathy is felt for his widow and two little daughters.

To My Lincoln County Friends.

I would be glad to visit you in your homes and talk with you relative to our schools and my candidacy for school superintendent, but find that I can not do so and perform the duties of my office. I feel that having taught eight public schools, served as trustee and soon will have served one term as superintendent, that I am qualified to serve you again. I appreciate the interest you have manifested in school work while I have been your superintendent and will appreciate any assistance given me in the coming primary, March 16. Respectfully, GARLAND SINGLETON.

BRODHEAD.

The young men and boys acquitted themselves well last Friday night in their debate.

Miss Sallie Purcell, who has been visiting relatives and friends at Lancaster for the last week, has returned home and is back behind the counter at her old stand.

Mrs. John Pence, who died at Cincinnati Friday night, was brought to Brodhead Saturday night and buried at the Methodist church Sunday. Rev. Hagin officiated at the church. Mrs. Pence was a Christian lady of the highest type.

Mr. Alex Tyree was taken suddenly ill last Sunday, but is some better. Miss Delpha Collier, who has been in school at Mt. Vernon, is at home this week, sick, but she is improving some. Miss Amy Pike came down from Mt. Vernon last Saturday and returned Sunday.

Messrs. Wm. Francisco, R. P. Pike, Ben Yaden, John Roberts, Thomas Baker, J. Thomas Cherry, J. W. Tate and wife and others have assisted in making the crowd at Mt. Vernon this week. Mrs. Mary Collier, Mrs. G. W. Tharpe, Mrs. James Baker, Robert Whitmot and others are sick. Our old friend, Uncle Joshua Dunn, seems to enjoy the discussions the boys have gotten up. Such men help much by their presence to encourage the young men. The writer met the editor of the INTERIOR JOURNAL in Mt. Vernon Wednesday. We hope all our people will take his paper the next year for it will do much to purify the homes of all who read it, for it is filled with good, wholesome, sound doctrine and if our people would all read it we would have a better citizenship.

Arthur Owens, whose home was in this county, but who at the present time was running a barbershop at Lebanon Junction, died last week at that place after a short illness. His remains were brought by his uncle, G. S. Griffin, to Maysburg for burial, but he was taken on to Livingston and placed in charge of the Maceabees, who took control of his body and officiated at his burial. Young Owens was a member of the Livingston Lodge. He was a good boy and had many friends and was beloved by all who knew him. He had a large train of relations in this county. He was a grandson of old Uncle Ashley Owens, who is now very feeble. Uncle Ashley Owens was, when younger, a very noted man in this county. He served our people eight years as sheriff and as deputy sheriff for awhile. He was magistrate for a few years and has been police judge at Livingston for a number of years. As an executive officer no man was ever more successful than he. He never failed to execute any paper when placed in his hands. His name was enough to cower and intimidate the most daring and desperate found among the lawless. Uncle Ashley was born Jan. 15, 1819, and was married to Miss Angeline Mullins, sister of Champ Mullins, late of Livingston, in 1843, and to their union was born 12 children, eight of whom are living. They have 56 grand children and 52 great-grand children. As he stood over the dead body of his grandson and as we watched his hands tremble he turned to the writer and said, my race is about run, the silver cord will soon be broken, the pitcher will be broken at the fountain. And as we looked upon this good old man in his grief and tears we could see the propriety of what Solomon, the wise man said, "Remember thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh when thou shalt say I have no pleasure in them."

DEAFNESS CANNOT BE CURED

By local application as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, unless cases of deafness are caused by a tumor, which is a rare case, and an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Halls Catarrh Cure. Send for circulars free.

The ocean tonnage of all nations aggregates about 30,000,000 tons. About 1,000,000 tons of it is American. The Frye bill proposes to pay subsidies of \$9,000,000 a year ostensibly to aid American shipping. This is twice as much as the yearly ship subsidy payments of all the other nations put together. And yet they own among them 39 times as much ocean shipping as the United States.

BLOOD POISON

If you ever contracted any blood disease you are never safe unless the virus or poison has been eradicated from the system. At times you see alarming symptoms, but in the hope of serious results will follow. Have you any of the following symptoms? Sore Throat, Ulcers on the Tongue in the Mouth, Hair Falling Out, Aching Pains, Itchiness of the Skin, Sores or Ulcers on the Body, Eyes Red and Swollen, Disruptive Stomach, Sexual Weakness—indications of the second stage. Don't trust to luck. Don't ruin your system with the old fogey treatment—mercury and potash—which only suppresses the symptoms for a time, only to break out again, when happy in domestic life. Don't let quacks experiment on you. Our New Method Treatment is guaranteed to cure you. Our guarantee is backed by bank bonds, that the disease will never return. Thousands of patients have been already cured by our New Method Treatment for over twenty years. No excitement, no risk—only a "patch-up," but a positive cure. The worst cases selected.
